

# Cooper Fellow

## LECTURE SERIES

**Tuesday, February 21, 2017**

**3:30 - 4:30 P.M.** {refreshments will be provided}

UMHillel| Braman Miller Center for Jewish Student Life | 1100 Stanford Drive

**MICHAEL MCCULLOUGH**  
Professor of Psychology

**Title:** *“Wrath and Reconciliation:  
An Evolutionary and Computational  
Approach to Revenge and Forgiveness”*

For 25 years, I have worked toward a psychological understanding of humans' propensities for revenge and forgiveness. For the past ten of those years, I have sought to take natural selection and the computational theory of mind seriously. Doing so has led to surprising insights and new kinds of clarity about how revenge and forgiveness operate in human affairs.
